To whom this may concern,

Our client, store VIP, has contacted our office to bring to our attention their concerns regarding the originality of style V970150X/29 Yvonne Suede.

We would therefore like to confirm that store VIP is our authorized retailer in Kazan and that all the products branded DvF sold in the shop are originals.

We have inspected the style and can confirm the style is original and belongs to our Pre-Fall 2012 Collection. Please see a picture of the style attached.

Best regards,
